

The Role of a FORIS Class Rep

Help communicate key dates and reminders to your class on FORIS events and help recruit volunteers.

Pass back any feedback from class about FORIS events.

Maintain and update parent/carers contact details for your class. We use WhatsApp group messages for class/school communication.

Organise 'get together' for the class parent/carers once or twice a year.

Arrange collections for Teacher/Staff presents.

Be the key contact for the teacher if extra volunteers are needed.

All queries school related should be directed to the Teacher or the school office.

Other support

The Parent Focus Group also has a class rep who can take feedback or queries to their meetings which are held once every half term.
