

We are FORIS, your PTA,  
We plan events that are really cool  
In case you wondered, FORIS stands for,  
Friends of Redbourn Infant school.

We do events for you and your children,  
That are varied, inexpensive and fun,  
There's a Christmas Bazaar in the winter  
We have the Strawberry Fayre in the sun.

There are Discos, Film Nights, May Balls  
And many things in between  
Have you thought of coming to help us?  
That would be just a dream.

Just an hour here or there is great  
There's no judgement, this is fine  
We can guarantee great satisfaction, new friends  
And quite possibly wine.

The 2017 target was 22 thousand  
But it's Autumn and we've hit 25,  
This is testament to your amazing support  
Let's keep that very much alive.

Your money is so very precious to us  
New water fountains, a rainbow hut  
Much more important now than ever  
After all the latest budget cuts.

A new woodland area, rugs, carpets  
A music system and even a maths shed,  
The staff have contributed so much too  
No wonder we're called outstanding by Ofsted.

Have a look at the school website  
Browse our FORIS Facebook page  
Feast your eyes on our notice board,  
See the contribution you've all made.

Reverse the Alan Sugar style,  
You're all hired, no need to pack cases  
Help us raise more money for this lovely school  
And put smiles on the children's faces.
