Dear Parents and Carers

Mrs Burman

Mrs Burman, Deputy Headteacher at the upper school will be leaving Redbourn Primary School in July to take up the headship of Mount Pleasant Lane School.

Mrs Burman was the acting Headteacher of the upper school last term and I'm sure you will agree she did a great job. We are delighted for her that she will now be able to take this experience forward into leading her own school and I am certain that you will join me in wishing her every success in the future.

With best wishes

S Hinchliffe
Headteacher
