

17th April 2018

Dear Parents and Carers

It is with great pleasure that I begin my time as Headteacher of the newly amalgamated Redbourn Primary School. I know that it will be a big change for you all to have a new Headteacher and I hope to show you how I will make this a positive and exciting opportunity for growth, building on the excellent foundations which already exist.

I believe that as a Headteacher I can make a difference. I am passionate about learning and putting the children at the heart of everything. I lead by example and I derive tremendous satisfaction from seeing the results of the support and encouragement that I have given. I am committed to creating an inclusive environment with high standards of learning and achievement available to everyone.

I am looking forward to meeting you all over the coming weeks and I shall be on the playground or by the gate in the mornings whenever possible, so please do come up and say hello. For those who have not spotted me out and about yet, this is what I look like!

With best wishes,

Sarah Hinchliffe
