

Goodbye & good luck

Dear Parents/Carers

This is my final letter to you as Headteacher of Redbourn Infants and Nursery School.

In the last nine years I have witnessed a lot of change. The demands upon teachers, governors, parents and the children have fluctuated with different government initiatives. However the children have been my driving force, always at the centre of every decision. This school has laid the foundations for their future lives. I am very proud to have been a part of this journey and work with you all.

I leave with so many fond memories of this outstanding school. It has been a pleasure working with the whole community and being an integral part of Redbourn village. Every family that I have been privileged to work with has made it all so worthwhile. Our strong ethos of 'Loving Learning and Respecting All' is evident in the progress and outcomes. Every journey starts with small steps and we have achieved so much.

Exciting times are ahead for the new Redbourn Primary School and I wish every single one of you best wishes and happiness for the future.

Warmest regards

Mrs Jane Byrne
