'Building our Futures Together'

24 November 2017

Dear Parents and Carers

Ref: Redbourn Junior School Headteacher

Yesterday we wrote to confirm the good news that the amalgamation has been approved, and our first priority is the recruitment of a Headteacher.

This process is already underway, and we can confirm that the first Redbourn Primary School Headteacher will be someone new to the Schools and the community.

As you will be aware, Mrs Byrne will be retiring from her post at RINS next Easter; we are also able to communicate that Mr Hairon has elected to take up a position at another school and will leave RJS at the end of the current term.

Interim leadership arrangements

We are delighted to tell you that Mrs Burman will be Acting Head for the spring term. Those of you familiar with RJS will know that she is highly experienced, and having operated at leadership levels for a number of years is extremely well placed to take on the responsibility. Mrs Burman will be supported by the RJS Senior Leadership Team and the change will take effect from January 1st.

It is important for the Schools to work together ahead of amalgamation, so as of January Mrs Byrne will also be supporting and working very closely with Mrs Burman.

Mrs Burman and Mrs Byrne have worked together for many years, and the strength of their combined experience, enthusiasm and educational excellence will maintain the high standards at the Schools.

This leadership team will also provide stability and harmony, whilst cultivating a positive environment for the transition which will greatly benefit the new Headteacher on April 1st next year.

We would like to thank Mr Hairon for his significant contribution to Redbourn Junior School. He has overseen a great deal of positive change and made hugely important improvements in philosophy, the learning environment and in the strength and quality of teaching. Mr Hairon leaves Redbourn Junior School in a much better position and we wish him well in his future career.

Yours sincerely

Lucy Eckley
