

The Happy queen

Wuns upon a time ther was a queen. She livd in a big, enormous krsol and she was happy and she saw a smol pinc and yello aliean who seid hello. plees can I have a rid in your spaship? Said the queen. They floo away and saw pirets tresha on the moon. they floo too see the planit it was pupol. they hade a piknic the queen and the aliean hade ham cheez and jam sanwijis. They plyed with the tresha there were lots of dimend jools. they wher tiyd they whent too bed in the spaship when they wok up the aliean took the queen bak too her krsol. She livd happlye evar aftar.
