

Redbourn Infant and Nursery School

9th February 2018

NSPCC Number Day

It was great to see the children enjoying their number challenges so much last week. We raised £170 for this worthwhile charity, thank you for all your donations.

Sharing Assemblies

Well done Lime Class – you treated us to an amazing assembly this morning. I am looking forward to seeing Willow in action after half term.

Nursery Applications

Nursery applications are now open. Forms are available from the school office or can be downloaded from the school website (where there is more information). Application forms will need to be returned to the school office before the closing date of 5th March 2018.

Nursery Staffing

We are sad to be saying "Goodbye" to Mrs Dargon and would like to thank her for her hard work in Nursery for the past 18 months. We are delighted to welcome Mrs Earley who has joined the Nursery team.

Parking Reminder

Please, please, please take more care and show consideration whilst driving and parking around the school. In particular, do not park on corners near the schools as coaches cannot pass to collect/drop off children for swimming and trips. Also, please do not pull up in front of the car park gates as this is very dangerous with so many small children around. Thank you for respecting this.

After School Club

The After School Club is currently looking for staff. If you are interested please ring Carole Clarke on 07821378492 for more information.

Safer Internet Day

Safer Internet Day was on Tuesday 6th February and we talked with the children about staying safe on line. Please complete the questionnaire which was sent home with your child and return to school as soon as possible. Thank you.
