20th July- Term ends at **1.30 pm**

Nursery Parent Letter

1st Half

Welcome back to Nursery for our exciting first term as part of Redbourn Primary School! We have welcomed Mrs Hinchliffe who has been to visit us and read us all a story. Our topic this term is '**All Aboard**'. We are looking forward to building our learning experiences around the children's ideas & interests.

School Trip

We will be going to Stockwood Discovery Centre for our trip on Wednesday 13th June 2018. Both Morning and Afternoon children will go on the trip together and will be out all day, returning before the end of school. We will be needing helpers to come with us.

More details to follow soon!

May Day Celebrations

The Community Tea is on Thursday 24th May at 2pm. **AFTERNOON CHILDREN ONLY** will be performing at this event and afternoon parents are invited to watch.

On Friday 25th May from 9am the **MORNING CHILDREN ONLY** will be performing at the May King and Queen Crowning. Morning parents are invited to watch.

For both events children need to come to school in their dancing outfits. They can wear smart clothes that they are able to dance in and plimsolls or trainers.

Parents of Treetops children that attend all day on Thursday and Friday can advise us which performance they would prefer their child to take part in.

This term's contribution of up to £5 would be much appreciated. This money helps enrich the children's learning with extra activities such as cooking, gardening, and craft activities. We have also used this money to fund our 'special snack'.

Thank you.

Work Shadowing

This is an opportunity to shadow your child whilst they are in Nursery for a 90-minute period. Come and join in with all the activities that your child does for the first part of the Nursery session. A sheet will be available in the Nursery so parents can sign up for a convenient day. There are a limited number of spaces available per session. Only one representative per family please so that we can accommodate everyone

Warm Weather

Should we have any more sunny weather this term (!) it is important that your child comes to school wearing sun cream. Please apply this before the nursery session. Children will also need to bring a **named** sunhat that they can keep on their peg. They have access to their water bottle at all times. This must be filled with **water only**.
