Friday 20th July - 1:30pm Term Ends

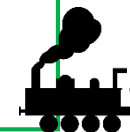

1st Half 2018 Year 1

Welcome Back!

The children have returned to Redbourn Primary School full of energy and enthusiasm after their Easter break. They have enjoyed our whole school assembly with Mrs Hinchliffe in the Upper School hall. We will be doing this weekly.

We had a great trip to Buckinghamshire Railway Centre and we are looking forward to exploring our new topic 'All Aboard' together.

Eddie the Penguin Saves the World

We were very proud of all the children. They performed so confidently in the play. Thank you for your support with the costumes and practising lines.

Sun Hats and Water Bottles

Please make sure your child has a sun hat and water bottle in school every day; they still need a light coat at school as well. Please apply sun cream before school.

Reading

Don't forget to read every day with your child, just for ten minutes. It is really helpful to talk with them and ask questions about what they have read.

PE Kits

Please ensure your child has suitable clothing for PE in their bag. Please check shoes and clothes still fit appropriately. They will need shorts and jogging bottoms, a T-shirt and jumper because we continue to do indoor and outdoor PE weekly. They need plimsolls for outdoor PE.
Please let us know if your child has a verruca as we do indoor PE barefoot.

Donations

If you are able to make a donation of up to £5 for extra art, gardening and cooking activities, that would be much appreciated. This can be done via SchoolComms or a cash donation. Thank you.

Woodlands

Woodlands School was great fun last term and we look forward to going again. We will be going in the weeks beginning 14th May, 21st May and 25th June. We will let you know the exact day nearer the time.
